HISTORICAL RESEARCH/PHOTO REQUEST FORM

Thank you for contacting the Nanticoke Historical Society in regard to your research/photo request. Please complete this form as completely as possible and mail it to the NHS at the above address. There is a \$ 20.00 charge for all responses and that fee covers one hour of research. The base fee must accompany this request form and also covers up to four (4) pages of photocopies. There is a separate fee and postage schedule for photographs. Should your request require more than one hour of research, you will be contacted regarding the additional fee.

DO NOT send requests asking for Aall@ information available about a subject, family name or specific person. Such requests are too broad for our volunteer staff to handle.

IMPORTANT: The fee you pay is based on the time spent on the research, not on the results. While many searches produce results, not all do. Although every effort will be made to obtain the information, there may be no information available. Submission of this form indicates the acceptance of these terms.
