The story of the History of Nanticoke and Newport Township is a compilation of many sources. The contributions came from the members of the Nanticoke Historical Society.

"Naturally a great deal of information was derived from dozens of other books, especially Bradsby's Luzerne County, Harvey & Smith's Wilkes-Barre, Janosov's Mine History, Petrillo susquehanna, and Phillips Luzerne County. A lot of information has been derived from early histories written by Henry Plumb, Charles Ciesla, Mark Regulski, and Bob Howells. The storehouses of information at the Mill Library, Osterhout, Nanticoke and Luzerne County Historical Libraries provide a lot of detail"[†]
